

Exploring Vocation

Exploring Vocation is a short Diocesan group course to help people explore how they are called by God to discipleship and ministry, as individuals and as members of a Church. It is tutor-led and has a Study Day and 5 evening sessions.

Exploring Vocation engages both 'head' and 'heart', ie it uses thought and study, as well as imagination, feelings and intuition. There is discussion, Bible study, reflection on experience and prayer, plus individual work between sessions. The Course is open to all and free of charge. It is first available on the dates below. *If these dates/venue don't suit, please ask to be notified of later Courses elsewhere.*

Venue: The Riverside Centre, Stratford St Andrew.
