

LENT 2006 : LIFE-SHAPING INFLUENCES

Lent is a time for reflection about God, ourselves and our world. So it is a good opportunity to explore what shapes how we behave, think, act and react. Courses of talks (with discussion) about *Life-shaping influences* will run at four venues across Suffolk. You can pick-and-mix and come to as many or as few as you wish. All welcome, and no need to book - just turn up.

For a leaflet in paper / electronic form about all the courses contact Belinda Copping, tel 01284 747467 belinda@stedmundsbury.anglican.org
