

Learn from Kagera

How does farming in Kagera compare with Suffolk? What's it like being a school child in Ngara? How do Christians in Suffolk and Kagera 'gossip the Gospel'?

Such topics with fact-sheets, Bible study material, prayer and action points will be in a NEW series of leaflets about our Diocese's partnership with Kagera in Tanzania.

Leaflets on *Farming, Education and Evangelism* will be available early 2007. They're suitable for study groups, PCCs, or individuals; or to inform your worship, prayers and notice-board. Each leaflet could feed 1 or 2 group sessions. Maybe all 3 could be your 2007 Lent Course!

For copies of the FREE leaflets fill in and return the form to Sue Young, 28 Westerfield Road, Ipswich IP4 2UJ.

Produced for Diocesan World Mission Group with input from Kagera. Queries to: Sue Young 01473 233525 sueyoung@fish.co.uk or Elizabeth Moore 01359 233050 elizabeth@stedmundsbury.anglican.org
